EDUCATION

Bachelor of Technology
Ajay Kumar Garg Engineering College, Ghaziabad

08/2019 - Present   *8.58 CGPA*

Courses
- Computer Science and Engineering

12th
Sunbeam Lahartara, Varanasi, UP

03/2018 - 05/2019   *95.67%*

Courses
- PCM

10th
Sunbeam Lahartara, Varanasi, UP

03/2016 - 05/2017   *9.4 CGPA*

WORK EXPERIENCE

Training in Android with Java
NETCAMP

07/2022 - Present

Achievements/Tasks
- Development of android application using Java

Training in Data Analytics with Python
Froyo Technologies

09/2021 - 10/2021

Achievements/Tasks
- Analysis of data using python programming language.
- Use of NumPy, Pandas, Matplotlib etc.

ACHIEVEMENTS

Qualified 1st round of SnackDown 2021

Achieved rank 4973 in TG3 Coding Challenge Open Round 2021

Hackerrank 5-star rating in C

SKILLS

C   C++   HTML   CSS   Python

Data Analysis   DBMS   Data Structure

ACADEMIC PROJECTS

Covid19 Data Analysis
- Analysis of Covid19 India data
- Technology Used: Python Programming Language

Titanic Data Analysis
- Analysis of Titanic data
- Technology Used: Python Programming Language

Library Management System
- It maintains the record of books issued in library
- Technology Used: C programming language

Text to Speech Convertor
- An Android application built to convert written text to speech
- Technology Used: Java Programming Language

CERTIFICATES

Coding Blocks (11/2021 - 05/2022)
C++ with Data Structures and Algorithm

Introduction to Industry 4.0 and Industrial Internet of Things (08/2020 - 12/2020)
NPTEL Online Certification

Enhancing Soft Skills and Personality
 (02/2020 - 04/2020)
NPTEL Online Certification

LANGUAGES

English
Full Professional Proficiency

Hindi
Full Professional Proficiency

French
Elementary Proficiency

INTERESTS

Dancing   Oratory   Visiting new Places

Competitive Programming
